HQ DLA**

- The Joint Environmental Material Management Service (JEMMS) is an Integrated Hazardous Property Management Program Designed to Improve Regional Warfighter Readiness by Providing More Responsive, Timely, and Reliable Support at the Lowest Total Cost and Improved Environmental Compliance.

Objectives

- **Centrally Managed, Single Database for All Hazardous Material/Hazardous Waste (HM/HW) Transactions (Test: the Okinawa Military Community (OMC))**
- **Single Point of Entry for All HM Requirements**
- **Consolidated HM Physical Inventory for All Customers**
- **Improved Customer Wait Time**
- **All HM & Containers Tracked from “Cradle to Grave”**
- **Single Documentation Trail for HW**

**JEMMS Regional
Center (Bldg 500
Kinser
+ Satellite at
Futenma)**

Hubs Operated by
RCI
Personnel and
3PL's

Incoming Chemicals
from multiple
Suppliers
DSCR, GSA, Other

**Delivery
& Pick-up**

On/off
Island
Waste
through
DRMO

Milk Run

**Northern
Run**

Camp Schwab
Camp Courtney
Camp Hansen
McToreous
Ie Shima
JWTC

**HM
Delivery
&
HW
Pickup**

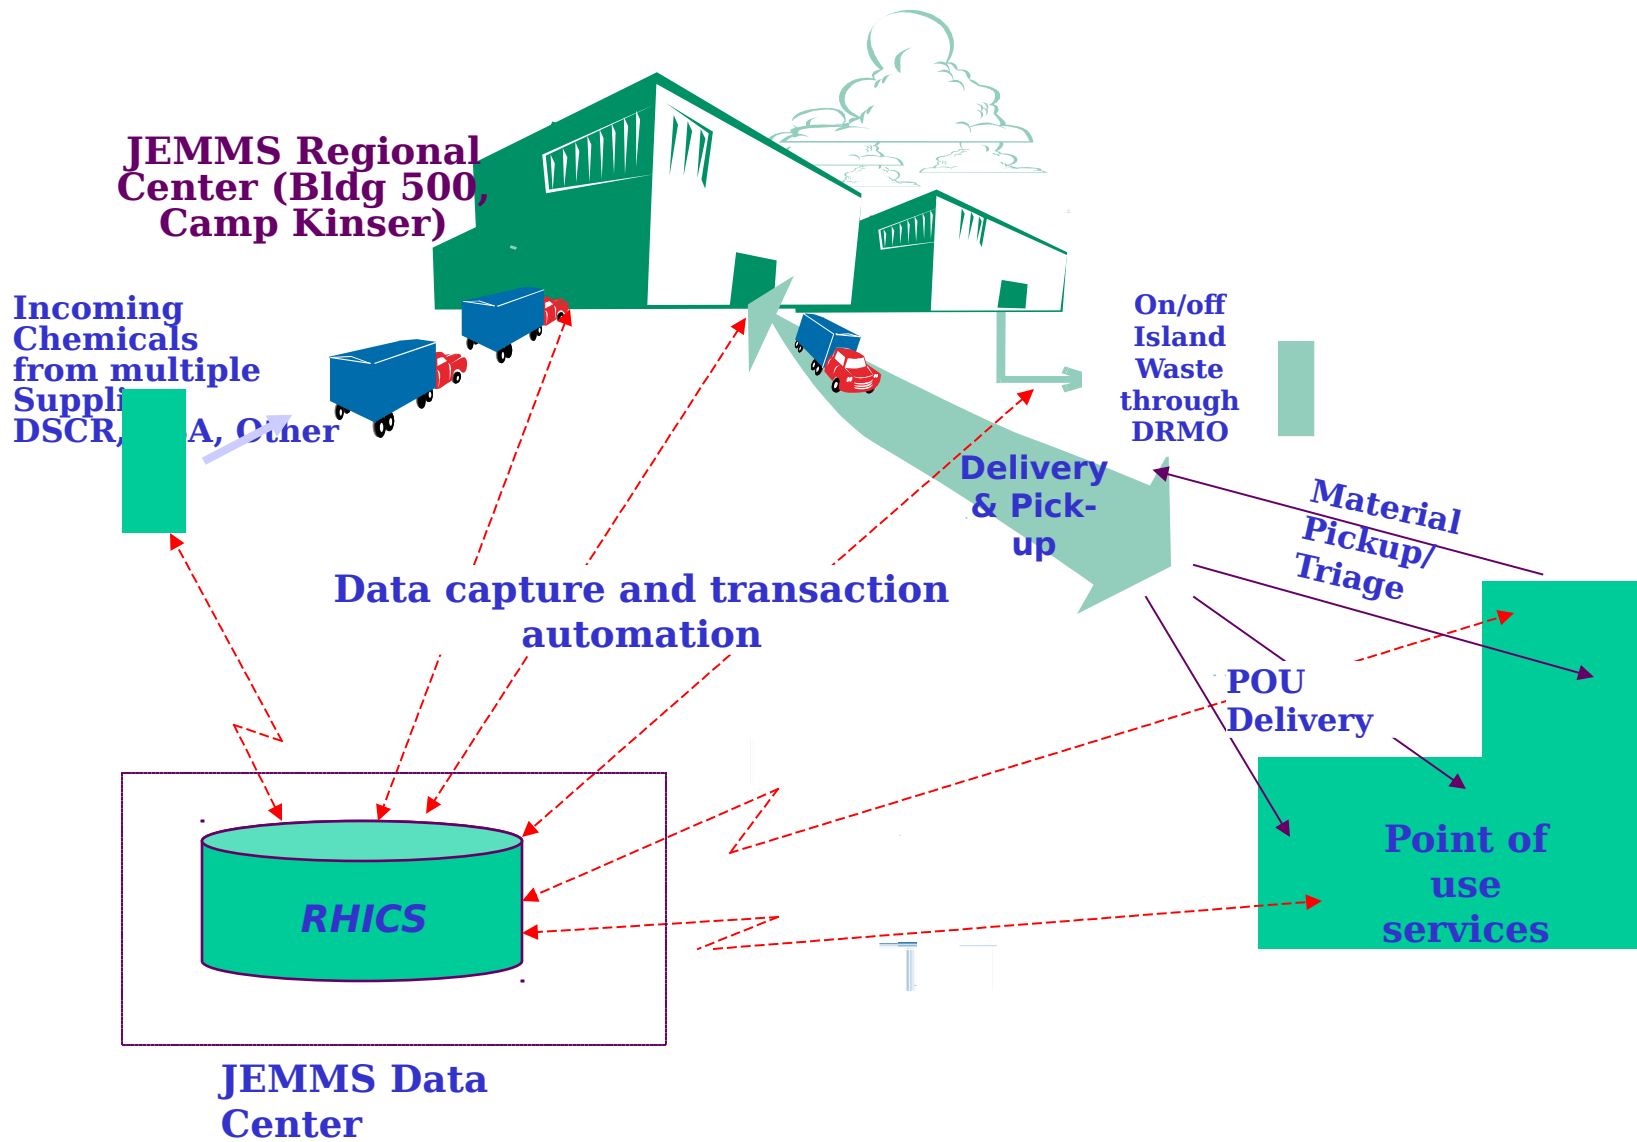

Middle Run

Kadena AFB
Torrii Station
Camp Shields
White Beach
Camp Lester

**MCAS
Futenma**

**Southern
Run**

Camp Foster
Camp Kinser
Naha Port

Methodology

- **Joint Service Teaming Supports HM Source Reduction:** DLA, Naval Supply Systems Command (RCI-Contractor), + Marines, Navy, Army in Okinawa
- **State of the Art Technology**
 - RHICS Centralized, Web-Enabled Application
 - On-line Asset Visibility and Ordering
 - Life Cycle 'Cradle to Grave' Control of HM/HW *
- **Improved Business Practices**
 - Accept Custody of All Usable HM (from Locker Level)
 - Issue Excess HM Prior to New HM *
 - Assist Customer with Authorized Use List Development
 - Assist Customer with 7-Day Usage Locker Maintenance *

Benefits

- **Military Services**

- **Saves Money without Operational Degradation**
- **Environmental Stewardship- in Accordance with Executive Orders 13101 & 13148 - *Mandated 50% Reduction in HM/HW by Dec 2006***
- **Greatly Reduces Borrowed Military Management (BMM) for HM/HW Workload - *Allows better concentration on readiness***

- **DLA**

- **Expands Supply Chain Management Initiatives**

Summary

- **Joint Service Effort Supports Pollution Prevention Initiatives**
- **Centralized Ordering and Inventory Oversight Aids Shelf Life Management**
- **Saves Money - \$4.3M (estimated) Annually for OMC**
- **Helps Achieve Executive Order Mandates**
- **Reduces Borrowed Military Management**
